

# The VCA Bowl-a-thon— There's no time to spare!

January 25, 2012

Saturday, March 3, 2012

Roseland Lanes

9:00 am – 1:00 pm

Dear Parents:

Hard to believe, that our annual Bowl-a-thon has already “rolled around” to another year. In fact, it's our TENTH! (Did you know that's how many pins there are?) I enjoy this day so much because of the friendships and fun that are enjoyed while we bowl. This year, our school budget is depending upon \$10,000 to be raised. Last year we had an **awesome year** as we went a little over \$16,600 so I hope we can top that this year! Please help your child get some sponsors so that our school will benefit from all the activity. If every student would get sponsors for just \$75, we'd raise over \$19,000. Remember, everything raised over \$10,000 will help reduce our deficit this year!

We'll again be at **Roseland Lanes**. Students can bowl at one of four times, and, once again, we're encouraging them to get sponsors, per pin or a flat donation. We've set a goal of raising an average of \$75 per family. Like last year, you can now support VCA with your **online donation**. Even if you're unable to actually bowl, we appreciate your support; please read on. There will also be plenty of prizes to reward everyone's hard work. Again this year is an **all school participation prize**. If we reach our **goal of 55% student support/participation (143 students)** of the Bowl-a-thon, I'll do **PINK** hair for a day after the Bowl-a-thon results are tabulated!!!

You won't want to miss the faculty and administration bowling at 10:30 am.

This packet is filled with important information and forms. Make sure and take a moment to look them over:

- ❖ **Sponsor Envelope:** used to record the names of those sponsoring you and the means for turning in the money. (Very important details!)
- ❖ **Registration & Volunteer Forms (yellow):** you gotta let us know you're coming! And moms and dads can help in many ways and still be part of the fun!
- ❖ **Registration Envelope:** use it to turn in your yellow Registration & Volunteer Forms.
- ❖ **Information Sheet:** giving all the details of the day AND the prizes are on the back.
- ❖ **Sponsor Slip:** get some long-distance sponsors by using our Sponsor Slips! Contact friends and relatives who are far away; promise them a picture if they'll be a sponsor. Parents, please help students utilize the slips effectively. (Remind them that they can support you online!)

Parents, we also need your help in various areas on Bowl-a-thon day! Check out the Volunteer Form for more information! Be sure to go to the [www.valleychristian.com](http://www.valleychristian.com) and click on the BIG EVENTS! tab for details and to download any of the above forms.

Gotta “split,”

  
Dale Moncrief, Administrator

Let's make a strike of this TENTH year!
